

PLANT SALE

Saturday, February 11

9 AM — 1 PM

**Sutro Native Plant Nursery
476 Johnstone Dr
(off Clarendon Ave)
San Francisco, CA 94131**

Find the perfect California Native Plants for your yard. California Native Plants are drought tolerant once established, and create habitat for our local birds, bees, butterflies, and other insects.

We are clearing out our inventory; last chance for plants at our low prices!
